

Directions to Fayerweather Hall

Via Broadway - Subway (1 train to 116th Street)

Enter College Walk through the Columbia gates on the east side of Broadway at 116th St.

Past the first set of buildings on the left, there will be a large plaza with steps leading up to Low Library. Proceed up two flights of steps on the right-hand (east) side of the building.

At the top of the steps, make a right and a quick left at the flag pole. You will pass a chapel (St. Paul's) on the right.

Make the first right past the chapel, walking along the path on the north side of the chapel wall. You will see a courtyard on your left, up a few steps. The building closest to Amsterdam Ave. is Fayerweather Hall. Use the entrance closest to you. The elevator will be in an alcove on your left as soon as you walk into the building. Otherwise, take the stairs and go up 2 flights.

Proceed to the 5th floor (you entered the building on the 3rd floor). If coming from the elevator, make a left. If coming from the stairs, take a right. The Center for Science and Society, room 513, will be halfway down the hall.
