

EXPERIENCING ART IN THE AGE OF AI

AI
MADE
ONE OF
THESE.
CAN YOU
TELL WHICH
ONE?

May 30, 2019
5:00-6:00PM
National Arts Club
15 Gramercy Park St.

Join Rika Burnham, Head of Education at The Frick Collection for a conversation through which we will explore how we define, evaluate, and appreciate art in an age in which art can now be created by AI. This event is limited to 25 people. Registration is required via [Eventbrite](#), and seating is on a first-come first-served basis. This event precedes a panel discussion [Is Artificial Intelligence the Future of Art?](#). Registration for this event is also required via [Eventbrite](#).

Rika Burnham, Head of Education, The Frick Collection.
